Faculty Resources

Graduate School Faculty Handbook
http://www.umuc.edu/grad/faculty/handbook/
This handbook is designed both to introduce new faculty to the Graduate School and to serve as an ongoing reference book for all Graduate School faculty.

UMUC Policies
http://www.umuc.edu/policy/
The UMUC Online Policy Manual includes policies regarding faculty, academic affairs, research, student affairs, administrative and human resources matters, fiscal and business affairs, and external relations.

UMUC Faculty Services
http://www.umuc.edu/faculty/
This is a portal to many faculty resources including IFIS, the Interactive Faculty Information System.

Center for Teaching and Learning
http://www.umuc.edu/distance/odell/ctl/
The Center for Teaching and Learning (CTL) offers a wide variety of professional development programs and training for UMUC faculty and academic administrators worldwide.

UMUC Academic Calendar
http://www.umuc.edu/calendar/

DE Oracle@UMUC
http://info.umuc.edu/de/ezine
The Graduate School’s bimonthly online learning magazine for faculty includes templates, FAQ’s, articles, workshop information, and other resources.

Distance Education and Technology Services (DETS) http://info.umuc.edu/de/ezine/contacts.htm
Distance Education (DE) Coordinators work with graduate faculty to assist with classroom setup and course design, help with technical problems and questions about WebTycho, and develop and deliver training programs.

UMUC-Verizon Virtual Resource Site for Teaching with Technology http://www.umuc.edu/virtualteaching/
This is an excellent resource for faculty seeking direction in appropriate ways to use Web-based technologies to accomplish key learning strategies.

UMUC Faculty Media Lab
http://info.umuc.edu/de/ezine/multimedia.htm

Online Writing Center
http://www.umuc.edu/prog/ugp/ewp_writingcenter/wc_home.html
The Online Writing Center is a good resource for students. It features self-study models, such as How to Avoid Plagiarism
(http://www.umuc.edu/prog/ugp/ewp_writingcenter/modules/plagiarism/start.html).
