The following resources are available to you, as a UMUC student, at University of Maryland College Park (UMCP) libraries:

## Reference assistance

Reference assistance is available on-site at UMUC's McKeldin Library Reference Office, on the 6th floor, room 6259 on weekday evenings and on weekends, and by UMUC staff at the McKeldin reference desk during selected weekend hours. UMCP reference desk staff will answer brief questions when UMUC staff is not available. You can always contact a librarian 24/7 by phone, email, and chat ([www.umuc.edu/library/help/ask.shtml](http://www.umuc.edu/library/help/ask.shtml)) and by instant messaging at selected hours ([www.umuc.edu/library/help/instantmessage.shtml](http://www.umuc.edu/library/help/instantmessage.shtml))

## Borrowing privileges

With a current UMUC student ID you may borrow books and other materials from any University System of Maryland and affiliated institutions (USMAI) library, including UMCP libraries, or request any books be delivered via the USMAI catalog to UMCP or any other USMAI library for pick-up. All requests for articles, or books not available through the USMAI catalog, must be made through UMUC's document delivery program (<https://illiad.umuc.edu/illiad/logon.html>)

## Database access

Each USMAI library subscribes to their own collection of library databases. You may use UMCP's collection of library databases at the public computers at UMCP libraries. UMCP databases are not available to you remotely. For remote access to UMUC's library databases, available from any computer, including the public computers at UMCP, see [www.umuc.edu/library/database](http://www.umuc.edu/library/database)

## Printing & photocopying

As a UMUC student, you can purchase a visitors' copy card from a Copy Card ATM (located in all UMCP libraries) to use UMCP photocopiers or computer printers. Cards cost \$1. Photocopies are 10¢ for b&w and \$1 for color, computer printing is 10¢ for b&w and 50¢ for color. Additional money may be added to the cards at the Copy Card ATMs. For more information on UMCP printing and photocopying fees, please see: [www.lib.umd.edu/UES/pay\\_for\\_print.html](http://www.lib.umd.edu/UES/pay_for_print.html)

## Late night study

UMUC students can request access to UMCP's Late Night Study area by submitting an application form available at the UMUC McKeldin Reference Office, UMUC library in the Student and Faculty Services Center, or online at <https://www.umuc.edu/library/help/latenight.html>. Late Night Study cards are the property of UMUC and must be renewed or returned within 5 days of the end of each semester. Failure to do so will result in a \$50 fine. You can mail or return the card in person to the UMUC library in the Student and Faculty Services Center or call the UMUC McKeldin Reference Office to arrange to return the card

## Computer labs access

UMUC students do not have access to UMCP computer labs (e.g., WAM, OWL), but can use the public computers found in the reference area or those located throughout McKeldin Library. You will find PCs with word-processing, database, spreadsheet, and other software applications available for your use at all UMUC computer labs and in the UMUC library at Adelphi.

## Wireless access

Wireless access is not currently available to UMUC students in the UMCP libraries. There are wireless hotspots in the UMUC library and at several other locations in the Student and Faculty Services Center and UMUC Inn and Conference Center.
