REGISTRATION PROCEDURES

There are now three ways a graduate student may register for classes:

1. Mail-In Registration—Use Form B
2. Walk-In Registration—Use Form B
4. Touch-Tone Dial-In Registration via the Interactive Registration and Information System (IRIS)—Use Form A

You may register via IRIS if you have received your PIN and if you are calling from a touch-tone telephone.

You may not register via IRIS if you are attending another University System of Maryland institution.

INSTRUCTIONS

IRIS is available from 6 a.m. to 9 p.m., 7 days a week.

Before you begin the touch-tone registration process, be sure that you have filled out the worksheet. Pre-planning is very important because the system allows a limited time in which to make entries. If you make an incorrect entry, you will have two additional opportunities to enter the information.

If you are registering Monday thru Friday via IRIS between 8:30 a.m. and 5 p.m. and you make a third incorrect entry, you will be transferred to one of our office representatives or will be instructed to call back at another time.

When making a credit card payment, IRIS will accept only VISA or MasterCard.
IRIS utilizes the telephone key pad to communicate your course requests to the computer. Just follow the steps:

**STEP 1** Fill out the worksheet. The index number for each course can be found in the Schedule of Classes or the UMUC Web site.

**STEP 2** Dial 301-985-7499 or 1-800-584-9413 to reach IRIS.

**STEP 3** Enter your 9-digit student identification number (usually Social Security number).

**STEP 4** Enter your four-digit PIN.

**STEP 5** Follow the voice instructions to gain entrance.

Before you hang up, please be sure to check your account balance and finalize your registration. At this stage you will be notified if you have attempted to register for two courses that meet at the same time, or whose meeting times overlap. You will also be notified if you have attempted to register for the same course twice in the same semester. At this point IRIS will instruct you to complete your transaction by entering your credit card number and the expiration date. If IRIS is unable to process your charge, you will be asked to either retry or to be connected to the Finance office.

After your registration has been processed, you may make changes by calling IRIS (following the same basic instructions) or by going to a walk-in registration.

**GLOSSARY OF TERMS**

**Accidental Disconnection**
If you are accidentally disconnected from IRIS before you complete your call, recall the system right away and finish your transactions. IRIS will not reverse any of the transactions you completed before the cutoff.

**Disconnection by IRIS**
Time limits are built into the system. If you are on IRIS for an extended period of time, you may be disconnected. If you have not finished all your transactions, you may call IRIS again immediately and continue. IRIS will not drop you from any of your classes if you are disconnected and you call back the same day.

**Financial Balance**
IRIS offers you the option of requesting information about your balance due as you are selecting classes.

**Index Number**
A five-digit number assigned to every class (course and section). This number is different from the four-digit course section number.

**Personal Identification Number (PIN)**
A random four-digit number is assigned to you. The PIN will be mailed to you in time for registration. If you have not received your PIN, call Graduate Services at 301-985-7155. You will be asked to change your PIN the first time you access IRIS.

**Student Identification Number**
Your Social Security number without dashes, or other assigned nine-digit number.
